# Would you like to be wildly successful in any business climate?

Everyone faces problems in business and life. If you are like most people when confronted with problems, you go right to your first solution, and miss most of the other seven critical steps for a better outcome.

Imagine how much more you could accomplish if you spent a little more time planning in a way that could ensure your success. In *Soul Proprietorship*, by Al Killeen, you can learn step-by-step how to make inspired decisions in your business and your life with confidence and fearlessness.

## You will discover:

- How your mind-set can make or break your success
- What a Personal Life Vision is and how to create one
- How to break through your current barriers fearlessly
- How to stay committed to the solution you create
- What systems to put into place to ensure you follow through with your plan
- How to build great personal relationships

If you want to build sustainable, high quality relationships, boost your revenue, and create powerful business and life strategies, you need the tools in *Soul Proprietorship*. This book is jam-packed with creative ideas to use to be wildly successful in any business climate to painlessly transform your limitations and develop the life you want.

If you are ready for more success, happiness, prosperity, and fun than you ever imagined, buy this book! Go to [www.soulproprietorshipbook.com](http://www.soulproprietorshipbook.com) to get your copy today.

Author, speaker, respected keynote, seminar leader, executive coach, and Empowerment Mastery Guide, Al Killeen is considered a pioneer in transforming clients to life and career mastery through their core values. He delivers life-changing material to shift clients painlessly towards a new, more fulfilling future.

Currently in the top 3% of professional business coaches internationally, Al Killeen has devoted more than three decades to studying the thoughts, actions, and habits of renowned enlightened leaders and philosophers to develop systems to support his clients. He has earned his title as the Empowerment Mastery Guide through his effective support of clients through more than eight thousand hours of personal coaching.
